## Web | E-Mail-Adresse hinterlegen

The screenshot shows the WebUntis user profile settings page. The left sidebar contains navigation options: Heute, Mitteilungen, Stundenplan, Unterricht, and Klassenbuch. The main content area is titled 'Allgemein' and 'Freigaben'. It includes fields for 'Lehrkraft' (Hans Fissler), 'E-Mail Adresse' (hans@mustermann.de), 'Sprache' (Deutsch), 'Benutzergruppe' (Lehrkräfte (Lehrer)), 'Abteilung' (W), 'Offene Buchungen' (1), and 'Max. offene Buchungen' (15). There are also checkboxes for email notifications and start page preferences. At the bottom, there are buttons for 'Speichern' and 'Passwort ändern'. Three numbered callouts are present: 1. 'Profilnamen anklicken' pointing to the user profile icon in the sidebar; 2. 'E-Mail-Adresse eintragen' pointing to the email address input field; 3. 'Speichern !!' pointing to the 'Speichern' button.
